

LIST ALL YOUR DEBTS – PLEASE INCLUDE FULL MAILING ADDRESS INCLUDING ZIP CODE – PLEASE PRINT CLEARLY – DO NOT OMIT DEBTS YOU WISH TO PAY

Please list creditors in **alphabetical** order. If a collection agency or attorney is collecting the debt, **we need BOTH the creditor's address and collector's address** (for purpose of legal fees, each counts as a separate creditor even though it is the same debt). If you run out of pages, attach more with the same information. If the debt is disputed, write "Disputed" next to the address. **PLEASE DO NOT WRITE ON THE BACK OF THESE PAGES. IF THE CREDITOR OR COLLECTOR HAS SENT YOU AN ADDRESS IN THE LAST 60 DAYS YOU MUST USE THOSE ADDRESSES.**

If you wish to keep property mentioned on this page, check this box and make a note in the margin by the applicable creditors.

Check closely. **Did you list ALL your debts?** Did you forget a credit union, car loan, back taxes or child support you owe? Did you omit a debt because it's old? Did you move out of an apartment before a lease was up? Have you had a repossession or foreclosure? Did you co-sign on a bill? **LIST ALL DEBTS, even if you disagree with them, want to pay them or think a creditor wrote them off.** Failure to list debts in a bankruptcy can be prosecuted as a crime, and will negatively impact a case.
